

2019 APPLICATION

The purpose of the Clean & Green program is to support innovative community groups and organizations in the cleaning, maintaining, and beautifying of otherwise vacant properties in Genesee County. Answers on this application as well as previous participation in Clean & Green will be used to select groups for the 2019 Clean & Green program. Applications are reviewed and rated using a point system. **Answers that are more descriptive and align with program goals will be given more points.** The entire application is worth 100 points. The circle at the top of each page indicates how many points the page is worth. Applicants are encouraged to give as much detail and explanation in their answers as possible and can attach additional pages to this application if the space provided is not enough. **Please answer all questions within the application and write in N/A if not applicable. Incomplete applications may not be accepted.**

YOUR CLEAN & GREEN PROPOSAL

15
points

5. Please propose geographic boundaries for your group's service area. (5pts)

North: _____ South: _____
West: _____ East: _____

6. Please describe the condition of the geographic area defined above in Question 5. (5pts)

7. How many vacant properties do you propose to maintain every three weeks during the Clean & Green season? (5pts) _____

Please remember that each Clean & Green group must maintain at least 25 properties every three weeks. There is no maximum limit on the number of properties a group can maintain. Land Bank staff will determine the number of properties for each group according to available funding and previous participation in the program.

REMEMBER!

- Tools and Equipment:** Each Clean & Green group is required to provide its own tools and equipment (lawn mowers, weed whackers, rakes, work gloves, shovels, etc.). If your group does not have its own tools and equipment it is not eligible for Clean & Green.
- Back Account:** Clean & Green payments can only be issued to a group with bank accounts in its group name (not other groups or individuals).
- Insurance:** It is also required that each Clean & Green group has liability insurance to cover every individual performing work as well as the Genesee County Land Bank Authority or that each participant sign a liability release form (parents or guardians will be required to sign forms for youth participants). Groups selected for the 2019 program will have to provide proof of insurance or commit to liability release forms in order to participate.

DECORATIVE BOARDING APPLICATION

Clean & Green will include decorative boarding in 2019. This portion of the program is optional and is not required. Groups that participate in decorative boarding will be responsible for decoratively boarding vacant houses by painting boards to look like doors and windows and cutting them to fit. Groups will not receive an additional cash stipend for this work but will receive gift cards and/or credits to purchase all supplies and materials. If your group wants to participate in the decorative boarding component of Clean & Green, you must complete this one page application. Land Bank staff will select groups for decorative boarding from the information provided here. Please note that this page will not affect your overall Clean & Green application.

Has your group boarded vacant properties in the past? Yes No

If yes, roughly how many properties boarded in the past? _____

Has your group *decoratively* boarded vacant properties by painting the boards to look like doors and windows in the past? Yes No

If yes, roughly how many properties were *decoratively* boarded in the past? _____

If your group has boarded vacant properties in the past, please describe previous experience. Please describe the method you used, the condition and type of properties, how many projects you participated in, etc.
