**EPA Brownfield Multipurpose Grant Cleanup: Former Greenview Apartments, 817 N Stevenson St.**

The Genesee County Land Bank Authority (GCLBA) is accepting comments and review of Analysis of Brownfield Cleanup Alternatives (ABCA) and a Community Relations Plan (CRP) prepared for the use of Environmental Protection Agency (EPA) Brownfield Multipurpose Grant Funds to support asbestos cleanup activities at the former Greenview Manor Apartments located at 817 N Stevenson St., Flint, MI 48504

An administrative record has been established by the GCLBA for project information including the ABCA, environmental investigation reports, and supporting documents. The administrative record will be available for public review and comment at the GCLBA office located at 452 South Saginaw Street, 2<sup>nd</sup> Floor, Flint, MI 48502. Documentation may also be requested electronically. Some documents including the ABCA and CRP are available for review on the web at [www.thelandbank.org/brownfield.asp](http://www.thelandbank.org/brownfield.asp).

The project will be presented to the GCLBA Board of Directors at the June 10, 2020 Board meeting scheduled to take place at 1:00pm via Zoom. An additional information session will be held via Zoom at a later date for those unable to attend the Board meeting. Details will be published to the GCLBA website and social media via Facebook. All interested persons desiring to comment are invited to submit written testimony or materials concerning the proposed project to 452 South Saginaw Street, 2<sup>nd</sup> Floor, Flint, MI 48502 or via email to Faith Finholm at [ffinholm@thelandbank.org](mailto:ffinholm@thelandbank.org) by no later than 3:00pm Friday, July 10, 2020. Please feel free to use additional space for comments as necessary.
