**1. Questions and Answers:**

**Q:** Is there a pre-qualification requirement to submit a bid for this contract? And for LB22-002?

**A:** We are not requiring contractors to be pre-qualified, but a successful bidder will have to meet the qualifications outlined in each bid and provide sufficient evidence for GCLBA to make that determination, along with required documentation. Some requirements remain consistent between bids while others will change with funding requirements, etc.
